

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God has laid you see.
I took His hand when I heard Him call
I turned my back and left it all.

I could not stay another day
To laugh, to love, to work, to play.
Tasks left undone must stay that way
I found that peace at the close of day.

If my parting has left a void
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
O yes, these things I too will miss.

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life's been full, I savored much
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief
Don't lengthen it now with undue grief,
Lift up your hearts and praise to thee
God wanted me now: He set me free...
